

Gordon Hargraves

Gordon Hargraves is a Senior Partner at Novacap and leads Investor Relations and Strategy. Novacap, a leading North American private equity firm with \$8B+ of AUM, focuses on value-add control growth investments in TMT, Industries, Financial Services and Digital Infrastructure. Novacap's sector-focused funds and investment teams have closed over 100 platform investments, utilizing their domain expertise to improve operations while accelerating company growth.

Mr. Hargraves has been investing in private equity since 1993, focusing on middle market buyout and venture in North America and Western Europe. He has participated in over 230 fund commitments, coinvestments and secondary purchases, with a directly attributable track record for over 120 investments. This includes commitments to Novacap TMT III and TMT IV as well as coinvesting in Syntax Systems Group.

Prior to joining Novacap, Mr. Hargraves was a Partner at PA Capital (Private Advisors) and focused on low mid market private equity fund commitments, coinvestments and secondaries. Mr. Hargraves also initiated and led the firm's ESG program.

Previously, Mr. Hargraves was a Partner at Rho Fund Investors and led investments in small buyout and venture capital funds in North America and Europe. Mr. Hargraves also developed and managed the private equity program at the National Bank of Kuwait in New York. He began his private equity career at GCC Investments, focusing on growth investments in the US and Western Europe.
